**O R D E R:**

The Vice Chancellor I/c, RGUKT vide his letters 1<sup>st</sup> and 2<sup>nd</sup> read above has informed that around 2200 students have been admitted in each APIIIT located at Basar, Nuzvid and Rajiv Knowledge valley. The pedagogy found to be suitable for their model of education involves emphasis on self learning by the students. In this frame work, it is felt that if the students are provided with appropriate reference material, then a large part of the learning can be achieved through hand holding which is provided to the students by suitably trained faculty members who may not necessarily be qualified to become Assistant Professor and above. The University proposes to designate these individuals who will provide hand holding to students as Mentors. The Mentors are typically post graduates in the areas of specializations for which they will provide hand holding. Further in each area of the specialization, there should be **one Mentor for every 100 students** at the very minimum. This means that the number of Mentors at each APIIIT must be minimum of 20 in each subject for each academic year. In order to attract suitably qualified individuals, University has proposed that a lump sum salary of Rs. 20,000/- per month per Mentor and these Mentors may be taken on annual contract basis.

2. The Vice Chancellor, I/c, Rajiv Gandhi University of Knowledge Technologies informed that the on going batch of students has already joined in the month of August-2008 and in order to ensure that their education does not suffer, the University has gone ahead and recruited the Mentors for the first year on contract basis. Therefore he had requested to ratify the appointment of mentors as made by the University in the interest of the on going academic programme and also requested for early orders for sanctioning the positions of mentors to be engaged on contract basis so that the University can go ahead and ensure that the process for recruitment of mentors for the second academic year is completed well in time to receive the next batch of the students.

3. The Government after careful examination of the entire matter, hereby accord permission for:-

- (i) Engage of 426 Mentors @ 142/IIITs in the State for the academic year 2009-10 (One year initially) on contract basis.
